Transformation

For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder! For Satan himself transforms himself into an angel of light. Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works. 2 Cor. 11:13-15 NKJV

Three times in this passage you see the word "transform" being used. The word "transform" in Greek means: to transfigure, disguise, or transfer. Here, we see three levels of transformation. First, you see the Apostles being transformed. Secondly, Satan, and lastly the Ministers.

If we don't have a clear understanding of transformation, we can all be deceived. We will all experience transformation during our lives. The question is who will transform us; God or Satan. I believe we're living in an hour where we really need to settle this issue. We need to pray that God would open our eyes to know the difference. You cannot do this on your own. You will need the help of the Holy Spirit. Remember, apart from God you can do nothing. Stay connected no matter the cost!
